

## BOURNEMOUTH BEACH LODGES

News Update

September 13<sup>th</sup> 2017

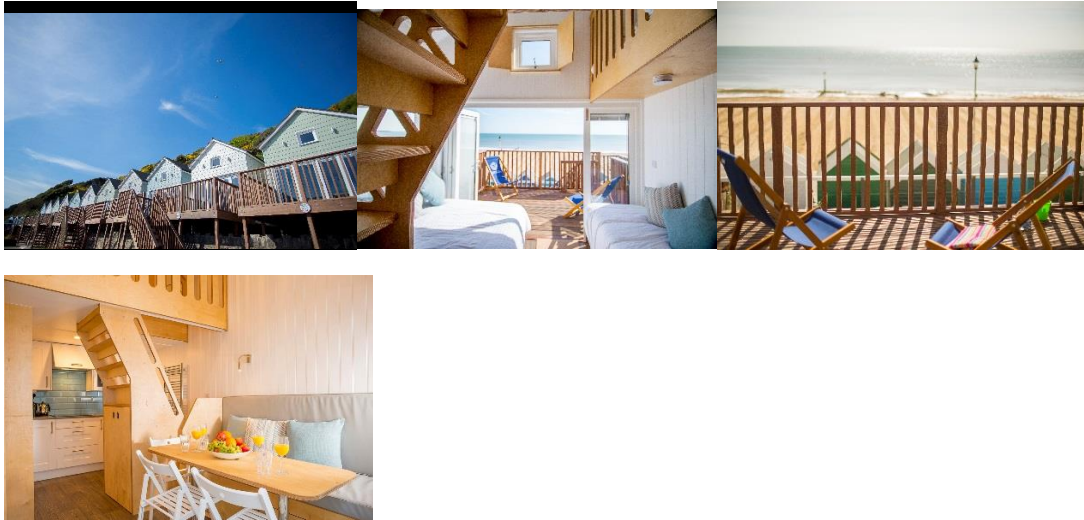

### Autumn Breaks Beside the Seaside

Bournemouth's contemporary, beautifully crafted overnight-stay Beach Lodges are situated a stone's throw from the water's edge and are open for business all year round and there is definitely something enchanting about the British coast during the autumn – uninterrupted views, a crispness in the air, a more relaxed pace than the hectic peak summer months.

The fifteen Lodges overlooking the soft golden sands of Bournemouth beach are heated, have a wood south-facing deck, can sleep up to four adults and two children, have their own shower, toilet, WiFi, TV and a fully equipped kitchen with a hob and microwave. A number of the Lodges are dog friendly and all are perfect for couples, families and groups of friends alike. There is also a fully accessible Lodge.

The design is innovative and space efficient, the structure timber-framed and constructed with the utmost respect to the environment. Guests can enjoy all of Bournemouth's attractions, museums, activities, bars, restaurants and nearby beautiful natural attractions while based at Boscombe Beach. For example, you can surf, go kayaking or paddle boarding, explore Bournemouth's Victorian Grade II listed gardens, visit the Russell-Cotes Art Gallery & Museum or enjoy the Bournemouth Arts by the Sea Festival, October 14<sup>th</sup> – 21<sup>st</sup>, which promises a spectacular "Indian Summer of Arts and culture" across Bournemouth's unique and stunning spaces.
